

Certificate US24/00003721

The management system of

Intel Corporation - Santa Clara

SGS

2200 Mission College Blvd., Santa Clara, CA, 95054-1537, United States Of America

has been assessed and certified as meeting the requirements of

ISO/IEC 27001:2024

For the following activities

The Intel Trust Authority Information Security Management System (ISMS) outlines Intel trust and security attestation service (Project Amber) conformance to ISO 27001:2024. This system defines Intel's robust ISMS approach to protecting the confidentiality, integrity, and availability of confidential computing data while providing trust and security attestation service to customers.

All in accordance with the Statement of Applicability version 1.1 dated August 3rd, 2023.

This certificate is valid from 15 November 2024 until 15 November 2027 and remains valid subject to satisfactory surveillance audits. Issue 1. Certified since 15 November 2024

Certified activities performed by additional sites are listed on subsequent pages.
